ATTACHMENT TO ADVISORY ACTION

Continuation of 11. does NOT place the application in condition for allowance because:

Applicants' arguments have been considered, but they are based on the declaration signed by Dr. Markus Hecker. A declaration after-final is not considered unless it is specifically directed to a new rejection first made in a final office action, thus the declaration filed on 07-14-2008 signed by Dr. Markus Hecker has not been entered. As the declaration signed by Dr. Markus Hecker has not been entered and Applicants' arguments are based on the declaration, Applicants' arguments are not found persuasive. Note that the claim listing provided with the after final action filed on 07-14-2008 contains no amendments or changes to the pending claims.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Maria Leavitt whose telephone number is 571-272-1085. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Woitach, Ph.D can be reached on (571) 272-0739. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

To aid in correlating any papers for this application, all further correspondence regarding his application should be directed to Group Art Unit 1633; Central Fax No. (571) 273-8300. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to (571) 272-0547.

Patent applicants with problems or questions regarding electronic images that can be viewed in the Patent Application Information Retrieval system (PAIR) can now contact the USPTO's Patent Electronic Business Center (Patent EBC) for assistance. Representatives are available to answer your questions daily from 6 am to midnight (EST). The toll free number is (866) 217-9197. When calling please have your application serial or patent number, the type of document you are having an image problem with, the number of pages and the specific nature of the problem. The Patent Electronic Business Center will notify applicants of the resolution of

the problem within 5-7 business days. Applicants can also check PAIR to confirm that the problem has been corrected. The USPTO's Patent Electronic Business Center is a complete service center supporting all patent business on the Internet. The USPTO's PAIR system provides Internet-based access to patent application status and history information. It also enables applicants to view the scanned images of their own application file folder(s) as well as general patent information available to the public.
